PRESS RELEASE

Kathmandu, Nepal 22/08/2023- WordCamp Kathmandu 2023 is excited to make its mark as a premier event for WordPress experts and enthusiasts, set to take place on **September 8th and 9th** at **Alice Receptions Gairidhara, Kathmandu**. This community-driven event, emphasizing collaboration, learning, and networking, is expected to stand out in the WordPress calendar.

WordCamps is renowned for its distinctive, community-driven approach, where people from all diverse backgrounds—from casual users to core developers—get together to exchange knowledge and expertise. The upcoming **WordCamp Kathmandu 2023** is no exception, it offers a platform for participants to interact, develop, and strengthen the WordPress community.

Contributor Day, scheduled for **September 8th**, offers an ideal opportunity for newcomers and existing contributors to get involved in the open-source project. It's a day of learning, sharing, and finding one's place within the WordPress ecosystem.

The main event, Conference Day, unfolds on the **second day**, catering to attendees of all skill levels. Whether you're a beginner or a seasoned developer, you'll find tailored sessions that match your interests and needs. Networking is a key component of WordCamp Kathmandu, providing attendees with the chance to build lasting relationships and share insights.

But **WordCamp Kathmandu 2023** offers more than just learning and networking opportunities. It hosts the unique do_action event, a chance for non-profit organizations to receive a custom website, empowering them to extend their online reach. These organizations gain a web presence, professional guidance, and valuable networking opportunities.

WordCamp Kathmandu 2023 Introduces:

WP Chautari, an engaging interaction program, plays a pivotal role in WordCamp Kathmandu 2023. Participants engage in open discussions about the event, contributing to its overall success. It serves as a platform for collaborative efforts and effective planning.

Attendees can also participate in the Photo Contest, where they capture and share moments during the event on September 8 and 9. The most captivating photos shared on social media

with the hashtag **#WCKTM** stand a chance to win fabulous rewards, adding a creative and fun dimension to the event.

Participants can look forward to two enlightening sessions and two-panel discussions. One groundbreaking panel features all-women speakers, and the next is focused on WordPress Business Products, a first for any WordCamp in Nepal.

After the conference sessions, the excitement continues on September 9th, 2023, with an amazing After-Party following the conference sessions. This event, which will be held at the upscale Surya Heritage Hotel, promises to be a night of inspiration, collaboration, and connection. It provides an opportunity to build relationships, share ideas, and celebrate unity.
